COVID-19 POLICIES

- All participants will have to answer our Covid-19 Questionnaire and be symptom free to attend!
- Arrive no sooner than 15 min before camp and leave immediately following the end of your session.
- Active cleaning will occur following each break and session.
- Stations of hand sanitizer will be available throughout the facility and on each court.
- Our staff will wear masks when working in close proximity to players.
- Participants will be placed in groups based on skill and will remain in those groups for the entirety of the clinic.
- Sessions are designed to limit contact as much as possible.
- Spectators/parents will not be permitted in the gym.

Space will be limited due to current state and local guidelines!
